

# DOCK SUNDAY SCHOOL VOLUNTEER OPPORTUNITIES

Please consider impacting children's lives by volunteering! It is a great way to share your gifts, grow your own faith, and experience the joy of serving Him. And best of all, it's FUN!

Not sure if a role is right for you? We too want to be sure your gifts are used in the best area possible, so we are open to all volunteers taking a "test drive" first. Contact Rachel Stathakis (see contact information at the end of this page).

Most volunteer roles are best suited for high school students and adults and can be done weekly, bi-weekly, or monthly. Curriculum, supplies and training are provided for all volunteers.
